## Vision

NSW Rape Crisis Centre will be a centre of excellence in the provision of services to anyone who has experienced sexual violence.

We will work until we achieve a society free of violence.

## Mission

NSW Rape Crisis Centre provides a statewide twenty four hour, seven day best practice telephone and online crisis counselling service to anyone who has experienced sexual violence.

The Centre works with government, non government, private bodies and individuals to ensure victims of sexual assault have clear pathways and equitable access to services.

We promote and foster attitudinal change and non sexually violent behaviour in the NSW community.
